

Lifeguard Fluid AW 8+

High Performance Oil for Aisin Warner Automatic Transmission

Product description:

Lifeguard Fluid AW 8+ is a high-quality synthetic transmission fluid specifically designed for use in Toyota and Aisin AW gearboxes. It ensures a flawless operation of automatic gearbox, a compatibility with all sealing materials and prevents them from swelling, hardening and shrinking. It provides excellent lubricating characteristics for quiet operation and smooth shifting in transmission. Its high viscosity index helps to provide an adequate lubrication in severe high-temperature service or at low starting temperatures. A longer oil durability offers longer changing intervals and helps to extend transmission life. The unique formulation of Lifeguard Fluid AW 8+ ensures excellent antifriction properties for gear couplings and required friction properties for friction elements, an exceptionally smooth transmission shift and a significant increase in the service life of all transmission elements.

Order No.: 0671.090.238

Order No.: 0671.090.429

Technical Data Sheet

Product code:

0671.090.238 (1L)

0671.090.429 (4L)

Specifications:

Land Rover: LR022460, LR002748;

Mazda: 0000-77-110E01 (M-III, M-V);

Mercedes-Benz: A0019892203;

Nissan: Matic C, J, S;

Peugeot/Citroen: 000169756, 9980.D4;

Renault: 7711218368;

Toyota: 08886-82025 (Type-IV, Type-III);

VAG: 99991754700, G055025A2;

Volvo: 1161540;

Characteristics:

Color Red

Density at 15°C 830 kg/m³

Viscosity at 40°C 25.8 mm²/s

Viscosity at 100°C 5.6 mm²/s

Brookfield viscosity at -40°C 5200 mPa.s

Pour point -66°C

Flash point (COC) 214°C
